Maurice Leponce  
Conservation Biology Section  
Royal Belgian Institute of Natural Sciences (IRSNB/KBIN)  
29 rue Vautier, 1000 Brussels, Belgium

Dear M. Leponce,

I would like to confirm that Roehampton University is interested in supporting IBISCA in the future as we regard this to be an important programme which will significantly contribute to our understanding of the distribution of tropical biodiversity and its relation with ecosystem services and processes.

Dr Neil Taylor  
Dean of Research & Dean of Graduate School  
Roehampton University
